## Why Belong to a Trails Club?

**No Clubs.... No Trails.... No Snowmobiling.... No ATV trail riding....**

Snowmobiling and ATVing in Wisconsin is wonderful. We have the finest trail system in the country with over 25,000 miles of funded groomed trails. These trails are made possible through the volunteer efforts of members who have organized into clubs to establish and maintain parts of the Wisconsin trail system. It is the responsibility of the clubs to provide for trail easements, signing, brushing, grooming and other maintenance. Without the clubs, there would be no trails.

If you ride snowmobile or ATV on any trail in Wisconsin, chances are that the trail is made possible by a local trails club. These clubs provide these trails for public use through volunteer efforts of their members. These clubs can use help to provide good trails on which to ride. Do clubs only work on trails? By no means! They have fun. They snowmobile, ATV, they socialize, they raise money for charities, they take trips, go camping, hold fundraisers and help with community projects. A club is something for everyone.

By belonging to a snowmobile and ATV club, you are helping to keep the sport strong and providing good trails. You are also with people who enjoy and understand the fun and fellowship of snowmobiling and ATV riding.

Membership and/or donations are greatly appreciated!!!
